Recent workshops

These two examples give just some idea of the range of work which goes on in the Creative Space sessions on Tuesdays.

Sustainable Development Fund Grant

We're delighted with news of a grant from the Peak Park. It will support trips, Tuesday sessions and community outreach looking at the landscape and wildlife of the Park on our doorstep.

Trustees Tea & Talk (L-R) Anne (who did silk painting for us), Sheena (standing), trustees Melissa, Martin and Bob & Andy

NOVEMBER PROGRAMME DETAILS

For the next few months our Tuesday workshops are supported by the **County Council's Community Wellbeing Fund**.

The **Creative Writing** session on Tuesday mornings, currently facilitated by **Pam Sandiford**, is a very supportive group which welcomes anyone interested in words.

The Tuesday afternoon **Creative Space** workshops give people space & opportunity to experiment. **Viv & Sheena** will lead 4 sessions but on the 30th we hope that **Sarah Myatt** will be back, by popular request, for the first of two pre-Christmas **glass jewellery** workshops: a chance to make some lovely, personal gifts.

The '**Leek**' collages funded by **Westwood College** are finished and everyone involved has been invited to see them unveiled in the new College entrance hall and have tea with the Head. We are just waiting for a date.

The **Experimental Arts** DIY group is for anyone just wanting to explore different drawing and painting techniques on their own. There are 2 **Wednesday** sessions this month.

NOVEMBER 2010

Our own IT wizard, Paul, has put together two slide-shows about BV on YouTube.

Click on <http://www.youtube.com/watch?v=XvPasHzz9b4> to see the unveiling of the **railings artwork** and

<http://www.youtube.com/user/listerleek#p/a/u/0/76g0cUXYGIQ> to see the **Creative Space** in action.

The October **Tea & Talk** was fun and attracted a new Trustee (see inside) but we do still need more Trustees, so please ask anyone interested to talk to Andy.

Great news – we have gained yet **another grant** which will support regular workshops and community outreach; see inside for more details.
